VIGOROUS JOB ACTIVITY FREQUENCY (SUMMER)

Pre-question: The next section asks about various "levels" of physical activity (vigorous, moderate, light) - while at your job, while at home, and during your leisure/free time. Please answer each question thinking first about summertime, and then about wintertime. Question: How often do you engage in vigorous physical activity that causes your heart to beat so rapidly that you can feel it in your chest and you perform the activity long enough to work up a good sweat and are breathing heavily?
